

## **Amsterdam student rugby club ASCRUM is looking for a head coach**

The Amsterdam student rugby club ASCRUM is looking for a new head coach for season 2016/2017. Ascrum is already the largest student club of The Netherlands, with 5 senior teams and over 120 active senior players. The head coach will focus on the wide selection of the first two teams, although assistance in the development of the club is expected as well. Ascrum's 1<sup>st</sup> team stands undefeated in the 1<sup>st</sup> league and Ascrum's 2<sup>nd</sup> team is in the running for a top place in the 2<sup>nd</sup> league.

Our ambition is to become a steady team in the Premier league (top level) of The Netherlands with a competitive second team. The head coach is expected to work with mainly young players, who are developed in our first year's team called 'Jonghe Honden'. We offer a yearly training internship at Western Province Rugby Institute for talented players. In the fall of 2016 we will organize again a training internship at the Olympic Sports Center in Papendal with coaches from Western Province Rugby Club. In parallel, we offer professional fitness and physiotherapy guidance.

### *Profile:*

- Understands and fits with the unique culture of our student club
- Is able to start in July 2016 at the latest
- Builds a vision for the coming years in line with our ambition
- Has authority over a large group of players
- Is available for weekend matches
- Prepare and give training sessions on Tuesday and Thursday evenings for two teams
- Preferably supports the training of other teams and the development of internal trainers
- Preferably holds IRB 3 Coaching

### *We offer:*

- A large club with great ambition
- Young and talented group of players
- To be discussed compensation

If you are interested, please send a motivational letter and your vision on how your game plan would look like. Selection will also be based on a personal interview and a pilot training for a representable group of Ascrum players.
